3. 10 LinkedIn Posts (Complete Copy)

LinkedIn Post 1: The Launch Story Hook

I built a game where you pay \$1 to take the #1 Throne from me.

Most founders spend \$500-\$2,000 on ads that convert at 0.5%.

Today, I launched outbidding.lol - an uncensored, live pay-to-rank leaderboard for indie hackers, AI builders, and creators.

Rules:

1. \$1 to join
2. Dofollow backlink + verified clicks
3. Rank #1 gets Gold Crown, #2 Silver, #3 Bronze
4. To take #1 from me right now: \$3.

Who has the guts to outbid me today? -> <https://www.outbidding.lol>

LinkedIn Post 2: The Contrarian Directory Take

Why traditional SaaS directories are dead (and what is replacing them).

Traditional: Pay \$300, wait 3 weeks, buried under 5,000 old listings.

Dynamic Attention Markets: 0-second live ranking, \$1 entry, 100% verified clicks.

Check out the live board: <https://www.outbidding.lol>

LinkedIn Post 3: The \$1 No-Brainer Value Offer

I will give your startup frontpage visibility to 150+ live tech founders today for literally \$1.

No subscription. No pitch deck. No 14-day approval queue.

1. Go to outbidding.lol
2. Paste product URL
3. Put \$1 via Apple Pay / Cards
4. You are live on the frontpage!

LinkedIn Post 4: Tech Stack Deep Dive

How I built a real-time pay-to-rank game with Next.js 16 and Supabase in 48 hours.

- Next.js 16 (App Router + Turbopack)
- Supabase Realtime Postgres CDC (0ms websocket updates)
- Dodo Payments (Global Apple Pay / Google Pay / Cards)
- Vector SVG dynamic crowns

LinkedIn Post 5: The Crown Prestige Psychology

Why gamers spend \$1,000 on weapon skins - and what founders can learn from it.

Attention is the rarest currency in tech. On outbidding.lol, Rank #1 gets the Gold Crown + 10x referral clicks. Claim your crown today: <https://www.outbidding.lol>

LinkedIn Post 6: Comment Your Startup Bait

Drop your startup or side-project in the comments.

I will pick 3 projects from the comments and personally bid for you to put you in the Top 5 on outbidding.lol! Tell me: 1. What does it do? 2. Target customer? 3. Website link.

LinkedIn Post 7: Traffic & Analytics Proof

145+ unique visitors in our first few hours. Founders love 1-click \$1 entries. Real-time outbids active. Current King: @shipxankit (\$2). Watch live ledger: <https://www.outbidding.lol/stats>

LinkedIn Post 8: The \$1 SEO Backlink Hack

The \$1 dofollow backlink strategy for early-stage SaaS. Dofollow indexable backlink, anchor text as product title, direct click tracking. Lock in your rank before prices jump: <https://www.outbidding.lol>

LinkedIn Post 9: Founder Challenge Bidding War

Challenge: Can anyone take the #1 Throne from @shipxankit before 6 PM today? Current Board: #1 @shipxankit (\$2), #2 Ankit Singh LinkedIn (\$1). Take #1 for \$3: <https://www.outbidding.lol>

LinkedIn Post 10: 10-Hour Live Sprint Milestone

We are live on stage! 10-hour public challenge in progress to see how fast an indie product can generate \$100 in pure attention bids. Watch the board update in real time: <https://www.outbidding.lol>
